Dear Dr. Pujiastuti,

thank you for your e-mail.

I confirm you that I received all the needed and your paper has been included in the current issue of IRECE (January 2021).

As soon as the issue will be ready you will receive the product you purchased.

Furthermore, we wish to inform you that our English Editing Service can be used for articles that are not going to be published on our Journals, too: if you (or one of your colleagues) have one or more scientific articles that you wish to submit to other Journals (not PWP) and you would like to submit it in a proper English, you can ask to use the same service that you have just received, for a different price. For more information, you can ask us by email.

Best Regards

Angela Tafuro

Dear Prof. Mrs. Heni Pujiastuti,

Manuscript ID 17041 entitled "Analytical and Experimental Study of Pile Capacity in Unsaturated Sandy Clay" which you submitted to our Journal "International Review of Civil Engineering (IRECE)" has been reviewed. The comments of the reviewer(s) are included at the bottom of this email.

The reviewer(s) have recommended a MAJOR REVISION.

This is an opportunity for you to respond to their major concerns and to incorporate improvements in the paper according to their suggestions. It is also an opportunity for you to add new results.

We normally only permit one major revision before an accept or reject decision is made. So please take the concerns of the reviewers seriously. Therefore, I invite you to respond to the reviewer(s)' comments and revise your manuscript within two weeks from the date of this email.

You should revise your manuscript using a word processing program and save it on your computer. Please also highlight the changes to your manuscript within the document by using the colored text in red.

Once the revised manuscript is prepared, you can upload it and submit it through your on-line submission system.

In order to expedite the processing of the revised manuscript, please be as specific as possible in your response to the reviewer(s).

If it is not possible for you to submit your revision in a reasonable amount of time, we may have to consider your paper as a new submission.

Once again, thank you for submitting your manuscript to our Journal and I look forward to receiving your revision.

Sincerely,

Dr. K. M. Liew, Editor-in-Chief of International Review of Civil Engineering (IRECE)
