Hello dear authors! I inform you that your article "Two anthraquinone compounds from the whole plants of *Hedyotis corymbosa*" was accepted for publication in No. 1, 2022. You need to send information about the authors (about each), where you indicate the academic degree, title of position and place of work for the specified email address: hinvesti@mail.ru. I sent all this information to the second author on December 30, but there is no answer from him. I am waiting for information about the authors. Good luck!
